Garage Door Opener Limited Warranty

ORCA Marketing warrants to the original purchaser ("the buyer") that the ORCA GarageAce door opener ("the unit") sold under this warranty will be free from defects of materials and workmanship for a period of 12 months from date of purchase. With regard to the *motor unit only* this warranty applies for 2 years from date of purchase.

Accordingly, if the unit fails due to defects in materials or workmanship within the warranty period, ORCA Marketing will, provided the defect part or unit is returned to the point of purchase, undertake to repair or, at its option replace, any defective part or unit and return it to the buyer's point of purchase at no cost. Repairs and replacement parts are warranted for the remaining portion of the original warranty period.

Limitations

This warranty expressly excludes malfunctions and/or defects to the unit or its operation due to any of the following:

- a) *failure to observe installation, adjustment, maintenance or operating instructions provided with the unit;*
- b) *incorrect installation, operation or adjustment of the garage door to which the unit is fitted;*
- c) *connection to any garage door outside the specifications set out in the owner's manual.*

This warranty is the only warranty made by ORCA Marketing. All other warranties, representations and conditions of any kind, express or implied are hereby excluded. Nothing in this warranty is intended to have the effect of contracting out of the provisions of the Consumer Guarantees Act (1993), except to the extent provided by that Act and all provisions of this warranty shall be read and modified to the extent necessary to give effect to that intention.
